## HOBSON MEASURE BEING EVADED BY HOUSE

Postponement Until August 1  
on Nation Wide Prohibition  
Amendment; No Action at  
This Session Is Prediction.

(By Leased Wire to Evening Herald.)  
Washington, June 25.—Plans for a  
decisive vote in the house rules com-  
mittee on July 1 on the Hobson con-  
stitutional amendment for nation-  
wide prohibition have been aban-  
doned. Chairman Henry, in the  
midst of a campaign in Texas, has  
suggested a postponement until Au-  
gust 1 and the Democratic members  
have concurred. There were many  
predictions in the house today that  
there would be no action at this ses-  
sion.

**WAGON LOAD OF  
FINE WINES CONFISCATED**  
Fairmont, W. Va., June 25.—Ex-  
ecutive attending preparations for the  
enforcement of the prohibitory  
amendment, operative next Tuesday,  
was increased here today when offi-  
cers, acting under orders of Fred O.  
Smith, state tax commissioner, raided  
the fashionable Fairmont Country  
club. The steward was arrested, a  
wagonload of fine wines confiscated  
and the lockers of many prominent  
members forced and their contents  
removed. The raid was under the  
existing law.

## DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Sage Tea and Sulphur Darken So  
Naturally That Nobody  
Can Tell.

Almost everyone knows that Sage  
Tea and Sulphur, properly com-  
pounded, brings back the natural  
color and lustre to the hair when  
faded, streaked or gray; also ends  
dandruff, itching scalp and stops  
falling hair. Years ago the only way  
to get this mixture was to make it  
at home, which is messy and trouble-  
some. Nowadays, by asking at any  
drug store for "Wyeth's Sage and  
Sulphur Hair Remedy" you will get  
a large bottle of this famous old  
recipe for about 25 cents.  
Don't stay gray! Try it! No one  
can possibly tell that you darkened  
your hair, as it does it so naturally  
and evenly. You dampen a sponge  
or soft brush with it and draw this  
through your hair, taking one small  
strand at a time, by morning the gray  
hair disappears and after another  
application or two your hair becomes  
beautifully dark, thick and glossy.

**Owen Bill Referred.**  
Washington, June 25.—The Owen  
bill for federal regulation of stock  
exchanges, reported to the senate  
yesterday, was sent back to the  
committee today. Senators who  
objected to the favorable report from  
the committee meeting attended by  
less than half the membership, suc-  
ceeded in getting the senate to re-  
refer the bill.

## TOPEKA MANAGER IS TO BE REINSTATED

(By Leased Wire to Evening Herald.)  
Topeka, June 25.—The Topeka  
baseball club received word today  
from President O'Neill of the West-  
ern league that Manager Dick Cool-  
ey, who was suspended after the  
game at Denver last Monday, would  
be reinstated Sunday, June 28, when  
Topeka meets Denver on the local  
grounds.

## SPECIAL MEETING OF THE COUNCIL THIS EVENING

No Word from Fergusson, but  
City Fathers Will Act on  
Park Site Question Just the  
Same.

Although no word has been re-  
ceived from Congressman H. B. Fer-  
gusson regarding the possibility of  
securing delay in the transaction, the  
city council will meet tonight in spe-  
cial session to act on the proposed  
purchase of the 440-acre park site on  
the mesa.  
Mayor Boatright said this morning  
in issuing a call for the session that  
it would do no good to put off the  
meeting longer. If Congressman  
Fergusson got word to the council  
that more time was available before  
the session, well and good, but in  
view of the short time remaining un-  
der the notice from the land office  
at Santa Fe, it would be best to ap-  
propriate the money without regard  
to doubtful possibilities. If no word  
was on hand from Washington this  
evening.

Several days ago Acting City At-  
torney Crews telegraphed Mr. Fergus-  
son for information regarding the city's  
chances of obtaining more time, and  
an answer was expected in time for  
a session to be held Wednesday.  
Failing to hear from the congress-  
man, the meeting was put off until  
tonight, city officials feeling sure that  
word of some sort would be received  
by this morning. No message of any  
sort, however, had come to hand this  
morning, and the mayor issued the  
call.

No difficulty over the passage of  
an appropriation resolution is ex-  
pected, although Councilman George  
C. Scheer has counseled all possible  
delay in handing over the \$800 to the  
government. The city is short of  
cash and Mr. Scheer believes the  
\$800 should be withheld until all hope  
of securing an extension of time is  
gone, but he is not opposed to the  
purchase of the land and will not op-  
pose it if he sees no chance for the  
city to gain time.

sawnee, Valencia county, whose death

Mr. Adams was a member, will es-  
cort the body to the Santa Fe sta-  
tion, leaving Strong's chapel at 6:30  
o'clock. Mr. Adams was about 45  
years old and was a well known  
cattleman.
